## FLUORIDE VARNISH PROGRAM 2007-2008

Child's Name: \_\_\_\_\_

Teacher: \_\_\_\_\_

Grade: \_\_\_\_\_ Date: \_\_\_\_\_

Dear Parent:

The Wakulla County Health Department will be offering the Fluoride Varnish Program for children in grades 1 through 5. We are using a new procedure that involves brushing the fluoride directly on the teeth. The procedure will be administered by dental staff and school health aides.

Regular fluoride use has been proven to reduce tooth decay by at least 35%. This is offered to you at no charge. Our bubble gum flavor has been met with great approval. We anticipate this becoming a bi-annual project.

**Please check yes or no, and sign below to indicate your preference.**

Please check:  Yes, my child can participate in the fluoride program.  
 No, my child can not participate in the fluoride program.
