

Date:

Dear Parent or Guardian:

Re: _____

Florida law requires that each student enrolling in a public school must have a physical exam current with one year and an up to date for grade Florida Certificate of Immunization.

Our health records indicate that your child needs the following:

_____ physical exam

_____ Up to date Florida Certificate of Immunization

_____ The following shots: _____

Failure to comply with above requirements could result in your child being excluded from school. We want to avoid any unnecessary absences for your child. If you have this information, please send it to school as soon as possible. We appreciate your help in correcting this problem.

You have until Monday, August 21, 2006 to comply. If you are unable to get an appointment with a doctor by that time for your shots, you can call the Wakulla County Health Department at 926-3591. You will need to take a copy of your child's current shot record, which is attached to this letter. Physicals will have to be done through your doctor's office.

Thank-you,

Lori Lawhon R.N.
