It's been a very busy start of the year with everything to getting ready for school, to having a wonderful and fun beginning of year training session to a beautiful solar eclipse to warding off hurricanes. Who says we don't keep our selves busy.

It's GREAT to be back here for our second year of our Wakulla County/ Sodexo partnership. I couldn't ask to be in a better community, working with hardworking and dedicated individuals.

We have new menus, we have new food items, we have many new programs that are very exciting. I know I can't wait to roll out each and every one of them.

Looking forward for another exciting year in Wakulla District Schools

### COMING SOON TO AN ELEMENTARY SCHOOL NEAR YOU

Be on the lookout for information on the Future Chef's Challenge. This year's theme is Healthy Asian Fusion. Once again it will be open to grades 1 – 5 and we will have information going out soon and will it will also be posted on the web site. Time to start planning.

### FUN FOOD FACTS

Gatorade was originally made by University of Florida's physicians to combat fatigue among players of one specific football team, The Florida Gators.

### FRESH AND LOCAL PRODUCE

Did you know that our micro-greens for salads and our fresh mushrooms all come from Cottdonale, FL and Quincy, FL

Our cucumbers, green peppers and red peppers are also locally sourced not far from here in Moultrie, GA

Thank You Medart for having such a Beautiful and Healthy Line for our Students. Your daily efforts are truly appreciated. ❤️
