Preamble

The School Board of Wakulla County and the Wakulla Classroom Teachers Association, an affiliate of the Florida Education Association, agree that they hold as a common objective the education and welfare of the students of the Wakulla County School System. Further, it is recognized that there should be a formalized process by which the School Board of Wakulla County and the Wakulla Classroom Teachers Association can work toward a mutually satisfying agreement.

Article #1: Recognition

- A. The School Board of Wakulla County, Florida (hereafter referred to as the Board) recognizes the Wakulla Classroom Teachers Association (hereafter referred to as the Association) as the exclusive and sole bargaining agent for a bargaining unit including; all full-time or regular part-time classroom teachers (including art, music, P.E., and director of athletics), counselors (including D.C.T.), librarians (media specialist); instructional/reading coaches, special area teachers (including exceptional child teachers, psychologists, social workers, occupational specialists, and vocational teachers), specialists in funded programs, dean of students, and department heads; but excluding: principals, assistant principals, curriculum coordinators, coordinator of community schools, administrative assistants, directors, supervisors, superintendent, all classified personnel, and temporary employees.
- B. The Association recognizes the Wakulla County School Board as the public employer with the right to determine unilaterally the purpose of each of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the public employer to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matter have the practical consequence of violating the terms and conditions of any collective bargaining agreement in force or any civil or career service regulation.
- C. The Board recognizes that teachers shall have the right to be represented by any organization of their own choosing to negotiate collectively through a certified bargaining agent with the School Board in determining wages, hours and conditions of employment as defined in Chapter 447, Florida Statutes. Nothing contained herein shall be constructed to deny or restrict to any teacher his/her rights under the Florida School Laws or other applicable laws, and DOE Rules and Regulations and/or Florida Administrative Code.
- D. The term “Board” when used in this agreement shall include the School Board and all administrators and other agents of same.
- E. The term “Association” when used in this agreement shall mean the Wakulla Classroom Teachers Association (WCTA) which is the exclusive bargaining agent for all bargaining unit members.

F. The term “teacher” when used in this agreement shall include all members of the bargaining unit.

Article #2: Negotiation Procedures

- A. Neither party shall have any control over the selection of negotiating representatives of the other party.
- B. Meetings shall be held at times and places mutually agreed upon by the parties.
- C. When it is necessary for a negotiating session to take place during the regular work day, bargaining team members shall be granted assignment to temporary duty status.
- D. It is understood that no final agreement between parties may be exacted without ratification by a majority of the Board and by a majority of the Bargaining Unit voting in any ratification.
- E. Both parties mutually pledge that their representatives shall have all necessary powers and authority to make proposals, consider proposals, make concessions in the course of negotiations, and that said representatives will negotiate in good faith. Meetings shall be held at times and places agreed to by the parties.
- F. The School Board negotiator shall meet informally with the President of the Association and/or his/her designee(s) at least quarterly for the purpose of discussing any alleged problems and/or misunderstandings and/or potential conflicts with existing statutes and/or court that may affect the administration of this contract. During post planning a meeting may be held to review the Personnel Handbook and other concerns. Such meetings will be held at a time convenient for both parties. The Association representative shall be granted assignment to temporary duty to attend said meetings when such arrangements are mutually beneficial to the parties. Should such a meeting(s) result in a mutually accepted amendment to this agreement, the amendment shall be subject to ratification by the Board and Bargaining unit prior to it becoming a part of this contractual agreement.

Article #3: Teacher Rights and Responsibilities

- A. The Board recognizes that teachers shall have the right to be represented by the Wakulla Classroom Teachers Association and the right to refrain from being represented.
- B. Race, creed, religion, color, sex, age, national origin, handicap or years of teaching experience shall not be grounds for discrimination, disciplinary action or conditions of employment under the terms of this agreement. However, this provision shall not be construed so as to prohibit the Board from implementing any affirmative action program as determined appropriate by the Board.
- C. Upon initial employment, teachers shall provide evidence of meeting all the physical and mental health requirements called for by the Florida Statutes, State Board of Education and the Wakulla County School Board Policies pursuant to their employment. If at any time, the Board desires further evidence concerning the above requirements of an individual teacher, it may, at its discretion, call for additional examination of

that teacher by a licensed competent physician chosen by the teacher from a list of three (3) physicians submitted by the Board. The Board shall pay all costs incurred in said examination:

D. The Board will establish rules for student conduct:

1. A copy of the rules shall be provided to all teachers at the beginning of each school year.
2. Teachers shall be notified of any changes in the rules for student conduct.

No assignment of applicants to advertised vacancies in the school district shall be made until all applications of currently employed teachers have been considered.
5. In situations where a new teacher is recommended by an administrator over a returning teacher already assigned to that school and who has applied for the position, the returning teacher shall be advised in writing of reasons for not being given the position, if written request is made by the teacher to the respective administrator within three (3) teacher days after being notified the position was filled.

F. Involuntary transfers will be made only when deemed necessary and appropriate by the Superintendent on recommendation to the Board, and only after the teacher has been advised by the Superintendent or his designee. The teacher will be given at least three (3) working days' notice, along with School Board rationale for the transfer. If the involuntary transfer of a teacher from one school to another, results in that teacher being out of field, the School Board shall pay all necessary course tuition and/or certification exams necessary at the state university rate to meet certification at that school.

1. Teachers who are not satisfied with their placement or assignment, as a result of the involuntary transfer, may apply for other positions within the district.

G. The following procedures shall be used in the selection of volunteers for extended contracts and additional employment.

2. Each school shall establish its own procedures for recommendation of after school, summer school, and teachers who teach a seventh period core class, with each department or grade level having opportunity to submit suggestions to the administrator. If a core class, which would require a teacher to teach a seventh period becomes available, the Principal shall seek a volunteer from those teachers certified to

teach the class. No teacher shall be required to teach a seventh period core class. Core classes are defined by the Florida Course Code Directory, Appendix S.

Whenever possible such materials will be previewed in advance by the building administrator.
 2. Teachers are entitled to full rights of citizenship, and no religious or political activities of any teacher or lack thereof, shall be grounds for discipline or discrimination with respect to employment of such teacher, provided that such activities do not violate the Constitution and the laws of the United States and/or the State of Florida.
 3. Teachers may present materials and ideas not included in the Board adopted curriculum and textbooks, provided that they receive prior approval from their building administrator. However, all sides of controversial issues must be presented and be age and grade level appropriate.
- I. The Board agrees to render legal assistance to the extent provided by law (F.S. 1012.26) to any teacher that is complained against or sued as a result of the legal performance of duty, providing that the teacher was found innocent and was acting within the scope of his/her teaching responsibility and is not guilty of willful neglect of duty, gross negligence or improper conduct, as determined by the Board.

- L. No action against a teacher shall be taken on the basis of a complaint by a parent or student or other individual; nor shall any notice thereof be included in the teacher's personnel file, until the complaint is thoroughly investigated and deemed significant by the administrator. responsibilities include SACS Committee Assignments, comprehensive audits, meetings with program advisory committees, parent-teacher conferences, P.T.O. meetings, and open house. Those teachers required to work additional hours in an officially assigned capacity as determined by the teacher and the administrator, including carnivals, and if not in a differentiated pay position, will be given an equivalent amount of release time beyond the normal student day at the teacher's respective school. A system will be established by the principal and staff to maintain a fair and accurate accounting and documentation.

In the interest of all parties, the administrator shall ask the teacher if they want representation. When a request for such representation is made, no action shall be taken with respect to the teacher until such representation is present. Such representation shall be secured within a reasonable time.
- O. The Board and the Association agree to jointly plan and provide for new teachers an orientation which includes the Master Contract Agreement. This orientation may be held as a part of the "New Teacher Orientation" which is an annual part of pre-school, but in no case later than the eighth week of school.

In addition, the system must support and promote school improvement, focus on student growth and achievement, provide for parent input when appropriate and establish criteria for continuous quality improvement of the professional skills of instructional personnel which will result in measurable student growth. Therefore, the parties agree that the procedures for teacher evaluation shall become a part of the contract and consistent and in compliance with the educational philosophy of the Wakulla County School System, the Instructional Employee Performance Appraisal System, F.S. 1012.34 and F. S. 1012.335, The Student Success Act.

The formative aspect of the model promotes professional growth through teacher self-assessment, walkthroughs, goal setting and professional reflection. 5. No transfer or layoff decisions will be made solely on the basis of student growth and achievement.
6. Teachers on a Professional Improvement Plan [PIP] at the time this language is ratified will continue to be evaluated and receive assistance on the basis of those procedures in effect at the time they were placed on the PIP. 2. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
3. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration or with any appropriate representative of the Association.

D. Procedures

1. At level one, any employee may orally and informally confer with his immediate supervisor.
2. If, as a result of the informal discussion with the immediate supervisor, a grievance still exists, the employee may invoke a formal grievance by submitting a signed and completed grievance form to the immediate supervisor not later than ten (10) working days after the alleged incident took place.
