Keith's journey from troubled youth to joining the military to award winning teacher inspires audiences. The comedy he used to deal with his own pain and frustration he now uses to alleviate the pain and frustrations of others

Topics:

- You are the example.
- Creating opportunities for social success. Identity, confidence and competence are the great anti bullies.
- Document incidences.
- Teach a non-emotional response to verbal and exclusive bullying.
- How to respond if physical contact has been made.
- How to deal with social media. Technological tools that will help you monitor social media use. Understanding the permanence of online behavior. How to download filtering devices. How to protect your child from inappropriate content.
- The appropriate way to contact the school.
- Why contacting the other parent is a bad idea.
- How to find social success outside of school.
- Teaching your child to value their own uniqueness. So what if you don't fit.

All parents of K-12 students welcome!
