Fundraiser Exemption Form

Each district school board is permitted to grant a special exemption from the Standards for Competitive Foods for the purpose of conducting infrequent, school sponsored fundraisers. They must be approved by the school principal prior to the activity.

The maximum days for exemptions are: high school-15 days; middle school- 10 days; elementary schools-5 days.

Any organization requesting a fundraiser exemption should have the designee complete the information required, and submit to the principal for his/her signature at least five business days prior to the activity. The principal will submit to the Director of ESE/Student Services for audit and reporting purposes.
